

Internship Opportunity

(Washington, D.C., Illinois, North Carolina)

The **United States of America Deaf Soccer Association** seeks sports-minded, entrepreneurial spirited, college or graduate level interns to assist in creating several platforms across the major business areas of our non-profit organization.

Our immediate needs:

- Fundraising
 - We are a new organization that has never had a steady stream of fundraising in place.
 - Estimated expenses run between \$150,000 - \$200,000 per year
- Marketing
 - With minimal exposure in the sports circles nationwide, we need help establishing a professional marketing platform
 - We need to market our program and our team to help with fundraising
 - We need to market our program and our team to help with recruiting
- Finance
 - While we have a governing board, we are currently with our treasurer
 - We need immediate assistance with budgeting and accounting
- Management/Organizer
 - Our organization is looking for an entrepreneur to create a templates, standard e-mails signatures, consolidate communications, and compile a working electronic rolodex of all contacts ranging from players and coaches to sponsors and parents.
- Recruiting
 - We need a formalized recruiting process/plan and formalized recruiting materials to find more players to consider joining our program
 - We need a formalized recruiting process/plan and formalized recruiting materials to find better players to join our program

Please contact President Ken Noll (below) if you are interested in any of the above positions. Include a resume, level of education, any entrepreneurship experience, and any personal sports experience comments you wish to share. Thank you for your interest.
